In this original petition, the petitioner challenges Ext. P3 order passed by the Palakkad Development Authority by which the earlier no objection certificate granted by the authority to the petitioner for construction of a building in the property in question was cancelled by the authority. The very same order was under challenge in O.P. No. 18531/1999, which was disposed of by a learned Judge of this Court by judgment dated 30-11-2005 in the following manner:

> "Petitioner approached this Court aggrieved by Exts. P14 and P15. In view of the intervening developments including the development leading to the abolition of the Palakkad Development Authority this original petition is disposed of making it clear that in case the petitioner has any surviving grievance, it will be open to it to approach either the Municipality or the Government."

In view of the said judgment challenging the very same order, this original petition does not survive and accordingly, the same is closed.
